## The Detroit River International Border Crossing Comment Form

The Michigan Department of Transportation (MDOT) is sponsoring this Detroit River International Corridor Study in southeastern Michigan. The Environmental Study Phase of the project involves stakeholders and the public through several rounds of meetings over the period ending in 2007. The purpose of the Detroit River International Corridor Study is 1) to provide safe, efficient and secure movement of people and goods across the Canadian/US border on the Detroit River area to support the economics of Michigan, Ontario, Canada, and the US; and 2) to support the mobility needs of natural and civil defense.
