

# AN INVITATION TO A PUBLIC FORUM

The Detroit Regional Chamber  
is hosting  
The Michigan Department of Transportation  
and  
**interested professionals in the finance, construction  
contracting, engineering/architecture, and legal communities**  
for a  
Public Forum on the Detroit River International Crossing Project.

The project was formally approved on January 14, 2009, by the Michigan and U.S. Departments of Transportation. It includes a new bridge between Detroit, Michigan and Windsor, Canada. The project also includes a new U.S. Customs plaza and an interchange with I-75. The estimated cost for the U.S. portion of the project is \$1.8 billion.

The Forum will be held on April 23, 2009, from 1-3 p.m. at the Detroit Regional Chamber's office located at One Woodward Avenue, 19th floor.

Interested parties should pre-register at  
[ASCHROED@detroitchamber.com](mailto:ASCHROED@detroitchamber.com)  
to receive more information and details on the Public Forum.
