Request for Public Comment on the Draft Federal Screening Report for the Detroit River International Crossing Project, Windsor, Ontario

Transport Canada, Fisheries and Oceans Canada, and the Windsor Port Authority invite public comment on the Draft Federal Screening Report. The report relates to the environmental assessment of the proposed Detroit River International Crossing (DRIC) Project in Windsor, Ontario. This environmental assessment is being conducted to meet the requirements of both the *Canadian Environmental Assessment Act* and the *Ontario Environmental Assessment Act*.

You can get copies of the Draft Federal Screening Report and DRIC project information by contacting the Transport Canada environmental assessment project manager or from the Canadian Environmental Assessment Registry website under project number 06-01-18170 at www.ceaa-acee.gc.ca

Please submit your written comments on the Draft Federal Screening Report via regular mail, fax, or email by **August 7, 2009** to:

Sarah O'Keefe
Environmental Assessment Project Manager
Transport Canada
Place de Ville, Tower C
330 Sparks Street
Ottawa, ON K1A 0N5
Phone: (613) 990-5473
Fax : (613) 990-9639
E-mail: sarah.okeefe@tc.gc.ca

All comments received regarding the Draft Federal Screening Report are considered public information. The Responsible and Prescribed Authorities will review and consider all comments received.

Copies of the Draft Federal Screening Report and additional project information are also available at www.partnershipborderstudy.com

For more information on the environmental assessment process, please refer to the Canadian Environmental Assessment Agency web site at www.ceaa-acee.gc.ca.
