

DETROIT RIVER INTERNATIONAL CROSSING (DRIC) STUDY

Draft Environmental Impact Statement

COMMENT PERIOD EXTENDED 30 DAYS

FHWA and MDOT are aware that the magnitude and complexity of this project make it difficult for individuals to comment within the original comment period. Therefore, the agencies are extending the comment period 30 days to provide additional time for preparation of comments. The comment period will now end on May 29, 2008.

Please mail, fax or e-mail comments to:

Robert H. Parsons
