Period: 12/01/02 to 12/31/02

ONTARIO-MICHIGAN BORDER TRANSPORTATION PARTNERSHIP Planning/Need and Feasibility Study

MONTHLY PROGRESS REPORT #10

Period Ending December 31, 2002

Work Accomplished This Period (4 Weeks)

Strategic and Geographic Area Overview Working Paper

This task is complete.

Traffic Analysis Zone System and Trip Tables for FAA Interim Working Paper

This task is complete.

Travel Demand Analysis Process Working Paper

Final draft report complete.

Existing and Future Travel Demand Working Paper

Final draft report complete.

Analysis Area Working Paper

 This Working Paper is incorporated directly into the Transportation Problems and Opportunities Report.

Transportation Problems and Opportunities Report

Final draft report complete.

Feasible Transportation Alternatives Working Paper

- Continued review of Feasible Transportation Alternatives as proposed by Owners/Operators/Proponents.
- Continued review of additional alternatives as identified by the Consultant Team.

Period: 12/01/02 to 12/31/02

 Continued development of a pass/fail assessment framework for Transportation Alternatives.

Economic Benefits Report

- Collected data to support economics benefits assessment.
- · Attended a working group meeting in Windsor.
- Conducted risk analysis of border traffic forecasts.

Consultation

- Continued management of project hotline and public comment computer database.
- Drafted responses to Comment Sheets received at Public Information Open Houses.
- Participated in Working Group meeting held December 11, 2002 in Windsor.
- Participated in Steering Committee meeting held December 12, 2002 in Windsor.

Communications

- Ongoing updates to media tracking document.
- Ongoing liaison regarding updates on communications activities.
- Ongoing liaison with Communications Team regarding media monitoring of Public Information Open House coverage.
- Scheduled interview with Courtney Tower (Ottawa-based freelance journalist) and Murray Thompson regarding border issues and an overview of the study.
- Ongoing media monitoring and distributed coverage or related press releases to Communications Team.
- Ongoing updates to Public Information Open House coverage report.

Service Deliverables / Project Management

- Coordination of Project Team activities and internal progress teleconferences continued.
- Preparation of monthly Progress Reports and Invoicing.
- Updating of schedule leading up to Consultation Group meetings in January.

Period: 12/01/02 to 12/31/02

Work Proposed for Next Period

Travel Demand Analysis Process Working Paper

Discuss this document with the Consultation Groups.

Existing and Future Travel Demand Working Paper

· Discuss this document with the Consultation Groups.

Transportation Problems and Opportunities Report

Discuss this document with the Consultation Groups.

Feasible Transportation Alternatives Working Paper

- Continue development of Feasible Transportation Alternatives for consideration in the analysis and evaluation.
- Continue preparation of Draft Working Paper.

Economic Benefits Report

- Continue work on Economics Benefit assessment including a risk assessment of the impacts of 9/11 and potential traffic diversion to rail on the traffic demand forecast.
- Benefit cost assessments of 5 build alternatives are to be commenced.

Consultation

- Finalize Tentative Presentation Schedule of Travel Demand documents and Transportation Problems & Opportunities Report.
- Continue to update Consultation Group contact lists.
- Consultant Team meeting scheduled for January 8, 2003 at URS Cole Sherman.
- Consultation Group meetings scheduled for January 24 (Public Sector) and January 31st (Private Sector).

Communications

Ongoing coordination support for Communications Team.

Service Deliverables / Project Management

- Progress reporting, updating of the Project Record and Issue Management as required.
- On-going coordination of the Consultant Project Team.

Period: 12/01/02 to 12/31/02

Areas of Concern/Actions Required

- The Project Team is continuing to address schedule issues, in terms of completing and submitting deliverables.
- The findings of the Canada/Ontario Management Committee were released this month. The Team will review and prepare a response as to how the findings impact the P/NF Study.

4. Schedule Status

Overall, we expect to complete the project within the contract completion date, and are reviewing additional opportunities to accelerate the schedule.

Please see Table 1 and Exhibit 1 for the current project schedule for study deliverables.

Budget Status

Based on invoicing received to date, a total of \$ 150,709.48 CDN was expended this billing period. Additional hours/dollars have been expended, but invoices have not been received. The total budget invoiced to date is \$1,730,661.43 CDN, or 38% of the total budget. Please see Table 2 for a breakdown of budget spent by project deliverable and interim deliverable.

A total of 916 person hours were invoiced this billing period. To date, 33% of the total project person hours have been invoiced. Please see **Table 3** for a breakdown of hours by project deliverable and interim deliverable.

Overall, we expect to complete the project within the total budget.

Please see Table 4 for the project cumulative spending curve.
